HAYDEN HALL INSTITUTE

Together for Change

HUMAN DEVELOPMENT
THROUGH LOVE &
SERVICE

Hayden Hall Institute

INTRODUCTION:

Hayden Hall was established through the initiatives of Fr. Burns with his eminent lay collaborators in the year 1969.

OBJECTIVES:

The main objective of Hayden Hall to be at the service of the less privileged members of society through community development and welfare programmes. To provide for training in literacy and allied skills, even of a professional nature, in such a way that the trainees are thoroughly prepared to be self-supporting, productive members of their society and their country. To meet the needs of local communities, particularly those who are less privileged, especially in the fields of extension education and preventive medicine.
